Future plans for Extra Care scheme in Doncaster

February 2007 Information/PR Day

Proposals for a new extra care scheme in Doncaster were unveiled at an Information/PR event held by Chevin Housing Association Ltd at a local community centre on 7th February 2007.

Chevin Housing Association have been allocated assisted funding from the Housing Corporation to re-develop the former Strafforth House in Denaby Main, Doncaster. The development will be a mix of 50 one and two bed apartments for rent and shared ownership sale exclusively for older people. Our Partner Contractor (Strata Construction) and Designer (AA Design) attended the event with Vicky Fenton from the Supported Housing Team alongside Keith McFarlane and Christine Hayes from Synergy Housing Solutions Ltd. The project team were on hand to answer questions about the new proposals from nearby residents and the general public.
