

tenant training scheme

Chevin is committed to supporting residents and helping them get in to further education, training and employment and offer all tenants the opportunity to tap in to further training if they are interested in:

- Learning a new skill
- Improving their job prospects
- Obtaining a qualification so they can apply for jobs

Chevin can support residents by:

- Paying course fees
- Reimbursing travel costs, childcare costs and carer costs (where applicable)
- Paying for any books or materials that are required on the course

To be considered for the scheme the course has to:

- Be a recognised course run by, for example, a school, college, university, or be a home study course
- Help residents to improve job or promotion prospects

To date Chevin have helped residents successfully gain the following qualifications:

- Basic computing
- GCSE in maths
- GCSE in adult literature
- CLAIT diploma
- Jewellery making
- Certificate in book-keeping and accountancy
- Diploma in IT
- BTEC in hairdressing
- Nail Technician
- Certificate in childcare
